

Dear Superyacht Captain,

Welcome to the 2015 St Barths Bucket. The SYRA would like to remind you of a significant change to Appendix SY incorporated in 2014. The change was based upon feedback we received during superyacht regattas raced under Appendix SY in previous seasons.

- SY2.5
1.3 At all times while in the racing area, a boat shall monitor the VHF safety channel specified in the sailing instructions, shall respond promptly to a hail from another boat, and shall communicate with other boats on matters of safety.
- SY3.3
60.4 When the race committee or protest committee learns, from any source, of an incident involving boats sailing within 40 metres of each other, or not responding to a radio hail, it may protest any boat involved.

Radio communication is critical to collision avoidance. It was noted at numerous regattas that some afterguard members do not respond in a timely manner to hails from other yachts. Whether this was intentional for the purpose of competitive advantage (implied by some) or operator error, the SYRA Uniform Racing Rules Committee believes that the race committee and jury need the authority to act if they learn from any source(s) of a yacht not adhering to this requirement.

Please review Appendix SY, Version 2.2 (May 2014), which is attached here. SYRA will sponsor a Superyacht Racing Rules Review prior to the St. Barths Bucket on Thursday, March 19th, at the Bucket marquee on the quay immediately following the Captain's Briefing (approximately 1715-1800). Our jury members will be in attendance should you have any questions or require clarification.

Best regards,
